Subject: Payments

Good afternoon – I want to clarify that FHWA is making all payments, not just those processed through Current Bill.

Again, at this time, all payments are being made, no exception.

Thank you,
Brian

Subject: RE: FMIS Payments

Good afternoon – We have received additional guidance from OST and are now making all Current Bill payments.

Please inform your State partners ASAP.

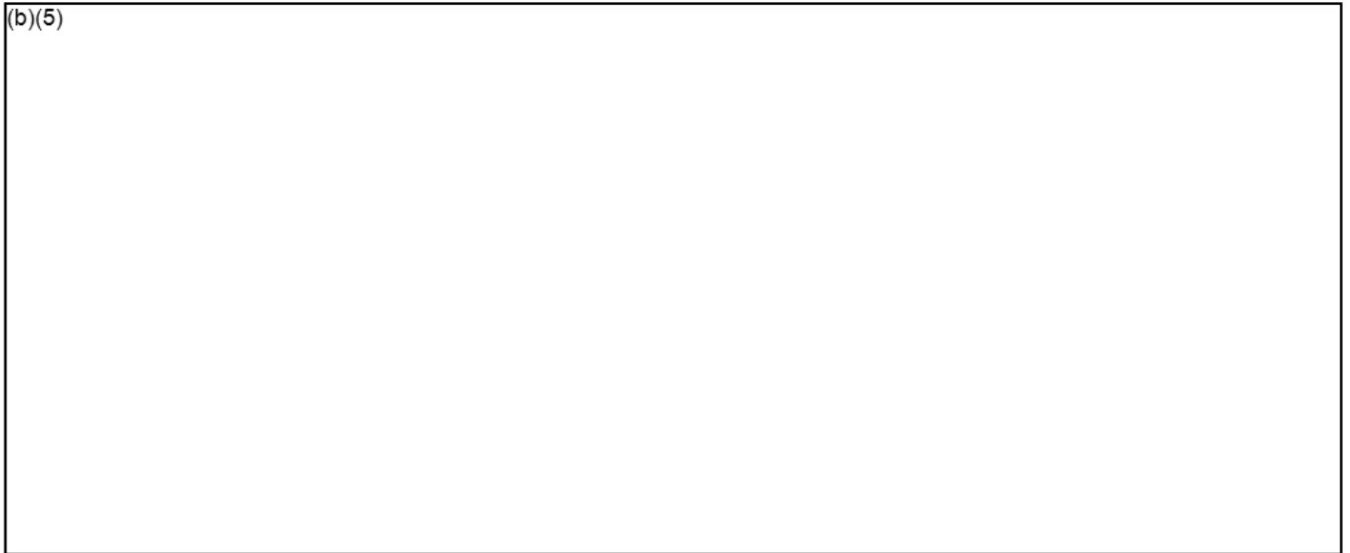

Thank you for your understanding during this time of transition,
Brian
