

June 8, 1971

Mr. William F. Hunter
F. Hyde & Company Limited
3349A Bloor Street West
Toronto, Ontario
Canada

Dear Bill:

On your last visit you left a folder with three photos on Place De Ville. I believe you mentioned that you will be sending some information about the job that would allow us to advise the people, and furnish background material for a possible ad. For your record we are sending you a xerox copy of the three photos, and a job information form. Please identify those people in the pictures that should be recognized.

Very truly yours,

Philip R. Strand
Director of Advertising
& Public Relations

PRS/lmf
