Mary – We have a scheduling meeting on Friday and I can let you know very shortly after that. Is Friday late afternoon too late to respond to the invitation?

Thank you!

Hello Mary,

I work on Administrator Pruitt's scheduling team and Samantha Dravis passed along an invitation to the 9/20 BP BoD Dinner/NGA Event. We appreciate you extending the invitation. We are hoping to gather a few more details on this event. Could you share anything more regarding who will be there, the topic/purpose of event, if anyone is speaking and/or if you would like the Administrator to speak, etc? If it's not too much trouble, I've attached our speaker request form that includes details we typically seek for speaking events. Some of these may not be relevant to this invite, but would you mind providing as much as possible so that we are prepared?

Thank you and we look forward to responding back to you very shortly. Again, thank you for including him in this event.
