Nothing can change a room faster than color! And colorful "Dutch Boy" Nalplex and Satin Eggshell are the smartest, easiest team to do the job.

Brushes, rollers clean up as easily as you wash your hands — in plain soap and water.

"Dutch Boy" Satin Eggshell is tough, durable enamel that dries quickly to a soft rich luster that defies moisture, scrubbing, even small-fry wear and tear. After that, all you need to keep rooms looking fresh is a little soap and water.

And the "Dutch Boy" colors you can choose will make you want to start today! Doesn't the whole idea give you spruce-up fever? Come on in and buy your gallon. We're itching to give you the color-matched quart that's FREE!
