the Lorimer study of 1976.

Did you collect that on your own, or you don't recall?

A I don't recall.

Q How about the Kauppinen study from Finland.

Did you collect that on your own?

A That was definitely given to me by Mr. Hoffman.

Q Was that given to you for the purposes of your testimony here today, or did he give it to you a while ago, do you recall?

A It was around Christmas.

Q There was a Marcus study from Sweden.

Did you collect that yourself?

A I can't remember.

Q And then there was the Langer and McCaughey case report, did you collect that report?

A That one I definitely collected myself.

Q Okay.

If we could for a minute, I would like to talk about some of these studies, and if I could have
