Enclosed is a supply of "Exhibitor Guest Registration" postcards for distribution to your customers. Each guest will be registered and receive a badge for admission to the exhibit area only. The registration will cost your company $10 for each one sent to us by May 10 and $20 for each one registered after May 10. Your company's name and address must be identified in the bottom right blank space.

After the conference, your company will be billed for each guest registration. If you wish more cards, please contact me.

Also, please let me know by letter if you prefer to have all of your company's badges picked up by one person in a bulk package.

IMPORTANT - If you haven't sent me the complimentary registrations for your booth personnel, please do so immediately. Use the enclosed pink forms. These registrations, based on the number of booth spaces purchased, allow access to the exhibit area only, not the technical sessions and are not transferable.

The blue forms may be used if you exceed your complimentary entitlement or for persons wanting to attend the technical sessions.
