October 8, 1969

N O T I C E

We are delighted to announce that effective November 1, 1969, Mr. C. S. "Red" Stettenbaure is appointed Plant Manager of our new Lima, Ohio facility.

Red's background as a Machine Operator, Time Study Engineer, and General Foreman-Production in Pottstown; and his most recent experience as Plant Manager of the Distribution Center - Power Equipment Division, will serve him well in his new position.

It isn't often that a Manager has the opportunity to start a new facility from scratch, and we have all the confidence in the world that Red will get this plant off the ground in short-order.

J. J. Morrissey
General Manager
Spicer Universal Joint Division
