Mrs. Ethlyn Wisegarver Bott, 58, of Belleville, Ill., whose choice as Mother of the Year is unique in one respect—she's a step-mother. Mrs. Bott raised four mother-less children after she married their widower father 20 years ago. She will be honored in New York May 8, when the American Mothers Committee presents her award. Mrs. Bott was selected over candidates from every state by the committee.—AP Wirephoto.
