Dear Dr. Macnle:

In your letter of September 20 to Mr. St. John you stated you would like to have a sample of one of our No. 520 Ski Stoves as soon as it was available.

The Army has issued instructions that this is a confidential item and you are correct in assuming we would have to have authorization before shipping you one.

These stoves are being purchased by the Jeffersonville Quartermaster Depot, Jeffersonville, Indiana, and I imagine the commanding officer of that depot would be the person to write concerning the obtaining of a sample.

Yours very truly

THE COLEMAN LAMP AND STOVE COMPANY
