FOR DIXIE TRADE

CLIMATIC HOUSE PAINT

Solves the problem of arm-tiring brush drag—gives *all*-weather protection. It is the first choice of many homeowners! Surface stays bright, clean-looking longer. Available in white and colors. For siding, trim, and shutters.

CLIMATIC *NON-CHALKING* HOUSE PAINT

1892 WHITE

A special white house paint that won't wash down on masonry—won't leave unsightly white paint streaks. For siding, trim, shutters, and tinting.

IMPERIAL *ONE-COAT* HOUSE PAINT

1867 WHITE

Cover previously painted white surfaces in one coat. Imperial does the work of two coats of ordinary house paint! Unbelievable hiding power ...long lasting whiteness... smooth heavy-bodied, it flows out beautifully.

MILDEW & FUME RESISTANT HOUSE PAINT

1850 WHITE

Specially formulated for high fume and mildew areas! Super resistance to smoke, mildew and chemical fumes! A super white for wood, masonry, and metal.

BASECOAT PRIMER

1851 WHITE

Highly adhesive water resistant primer-sealer for new or old wood. Creates a perfect bond and provides extended service for any house paint.
