BCA's
Environment & Energy Committee

E-Mail Contact Update Form

In an effort to help save on manpower and postage, the Environment & Energy Committee personnel will soon begin sending you updates and important information by e-mail reporting as much as possible in the future.

Please take a moment and give us the contact person who is to receive this information, and the e-mail address you wish us to use. You may either mail this form to Judith Kuczmarski at the BCA address listed below, or fax to her at (334) 262-7371.

Thank you for taking time to help us in updating our committee records!
