Sarah,

I am sorry that I will not be able to attend the meeting with Brent and others to visit with you in person. Happy to do so at your earliest convenience.

I did want to mention that we had sent the attached invitation of March 8th to Administrator Pruitt to speak to 11,000-12,000 AWWA members at our national meeting in Philadelphia in June. Anything you could do to encourage a positive and expeditious decision by his scheduler would be most welcome. We are beginning to publicize the June annual meeting and would love to include the Administrator in our promotion.

I think he could deliver a very positive and welcome message, say, on infrastructure finance and other matters.

Thank you for your consideration. I look forward to meeting you soon.

Tracy
