PROVISION

Any order given by you on this quotation shall be understood and deemed to incorporate the following provisions as to prices and our acceptance of any such order shall be upon such understanding:

(a) Prices stated herein are subject to change by the Seller.

(b) Any tax or excise imposed by any present or future law upon the production, manufacture, distribution or sale of materials covered hereby shall be added to the prices specified herein.

NOTICE: The successful operation of C & D Hot Tops requires that all C & D materials must be assembled and used in the manner and in the proportions specified in the instructions and blueprints furnished Buyer by Seller on the use of C & D Hot Tops, and Seller's liability for patent infringement is contingent upon the Buyer using C & D materials and operating C & D Hot Tops in accordance with this notice.

Seller shall not be liable for delay or failure of delivery caused by strikes, labor disputes, accidents, fires, floods, embargoes, requisitions, contingencies of war, shortage of cars, inability to obtain necessary materials, affecting either the Seller or its sub-contractors, or other causes even of a different kind beyond the reasonable control of the Seller or its sub-contractors.
