BASF Wyandotte Corporation

BASF

INTER-OFFICE MEMORANDUM

TO E. C. Burckhardt

DATE January 3, 1975

FROM G. A. Reamer

SUBJECT Yearly Physicals

COPIES Dr. J. Ronayne, M.D.

REFERENCE

It has recently come to our attention that we are required to give yearly physicals to those persons regularly exposed to asbestos. I had thought we were covered at Wyandotte, however, we discovered your Cell Renewal people have somehow been overlooked. Please arrange for these people to receive a yearly check from our Medical Department.
