Dear Michael,

This is to confirm my arrival at Montreal on Sept. 2, 1967. I will be in Toronto Monday, Sept. 4 and will leave Sunday, Sept. 10 for St. Louis.

I would appreciate it very much if you could make hotel or Monsanto apartment accommodations for me for two nights (Sept 2 and 3) in Montreal.

Concerning my stay in Toronto, a reservation at a hotel in the center (Westbury) would be most convenient.

I will be in your plant Tuesday morning, Sept. 5, 1967, and will concentrate all four days with you in calendering.

Waiting your confirmation.

Sincerely,

L. Visnovsky
