Dear Doctor Eddy:

Dr. Talbott has transmitted to me a copy of your letter of August 20th, because of my position as Department Editor of Questions and Answers section of JAMA. I was delighted to learn that you would be willing to serve in the capacity of a consultant for our department and I have, therefore, added your name to our file of specialists. I look forward to your expert services and the publication of your comments in the field of the pneumoconioses.

Sincerely yours,

  
Alfred Soffer, MD
