from	George Baitinger	location	Portland
subject	Joint Systems Products	date	March 31, 1978

The Consumer Products Safety Commission has banned the sale by manufacturers of patching compounds containing asbestos effective January 16, 1978. We have complied with this requirement.

Also, the ban prohibits the sales of patching compounds containing asbestos by any person after June 11, 1978. This means your dealers may not sell this product after this date.

We would like to be sure that our customers are aware of this cut-off date. Would you please distribute in person, copies of the attached to each of your customers who purchase joint treatment products.

It will also be necessary for you to list,on the attached page, the firms to whom the letter was hand delivered. Please return one copy of completed form by May 1, 1978.
