testimony here today?

A Yes, sir.

Q Okay. Which ones?

A The Society of Toxicology, the American Industrial Hygiene Association, the American Conference of Governmental Industrial Hygienists.

Currently because I left academia, I am no longer a voting member, but I think they call it an affiliate member there.

The Society for Risk Analysis.

I think those are the ones that might pertain here.

Q We have heard a fair amount about some of those professional associations, but I think this is the first time the Society of Risk Analysis has been mentioned.

Can you explain to the jury exactly what that society does?

A Yes, sir. Society for Risk Analysis came into being 10 or maybe 15 years ago to fill a gap that was not being met by the other scientific
