SUBJECT: NEW ACOUSTICAL TEXTURE PRODUCTS

On July 1, 1975, IN THE STATE OF CALIFORNIA, it will be against the law to sell spray type products containing over 1/2 of 1% asbestos.

The only Paco spray type products that do not conform to this ruling are 6373B; 6373L; and 6374H Acoustical Ceiling Texture. These products have now been reformulated to conform to the new regulation and they are currently being shipped to stores in California. § 5565 C and T

The new 31# Acoustical Texture is 6373C
The new 32# Acoustical Texture is 6373M
The new 40# Acoustical Texture is 6374J § 5565 C

DO NOT continue to sell 6373B; 6373L; or 6374H to anyone in the State of California after July 1.

We want all Store Managers in California stores to arrange with their factory warehouse (San Carlos and Ontario) for return of their remaining stocks of these products as soon after July 1 as possible. Our customers can still continue to use the products purchased prior to July 1 we just cannot sell them after July 1.
