Subject: Cast your vote of confidence

Kenneth,

Sometimes it seems like the whole world is against the conservative agenda. Every day, the liberal news insults conservatives, and Establishment politicians undercut policies that conservatives are fighting for.

In spite of the endless fake news and the constant stream of hate, tens of millions of Americans from coast to coast stand strong for conservative principles—because they know the truth. These principles *work* for America.

Stand with your fellow conservatives by casting your vote of confidence in the conservative agenda, and tell the liberal Left that they can't stop the demands of the American people.

Cast your vote of confidence here >>

Thank you for standing strong for our shared principles.

All the best,

Kay Coles James
President
