Re: Price Order #485
P order #M332
Your Letter, November 15th

Dear Sir:

To comply with the above orders we enclose herewith latest revision in formulas. These changes cover changes in formulations of only a part of our line of paints which we manufacture. These changes have been made within the last 30 days and all our remaining items have been made on the new formulation.

While we have not listed these changes for the remaining items same will be forthcoming within a few days. This has been necessitated by a severe reduction in our office personnel.

We trust that this procedure, on our part, will be satisfactory.

Very truly yours,

CHILTON PAINT COMPANY
