DICTATE ORDER OR ACTION FIRST – THEN PERSONNEL CONTACTED AND SUBJECTS

ATTN. CHICAGO: Please send a 1962 product catalogue, and samples of Vanillin and Ethavan to Dr. H. W. Jackson.

ATTN. DICK DAVIS: Dr. Jackson would also appreciate receiving any data, especially specific results, relating to toxicity studies done with Aroclor.

Dr. H. W. Jackson - Research Group Leader

VANILLIN/ETHAVAN: Continue to follow to get Monsanto on approved supplier list. Jackson's area includes quality control on these two products, and is concerned with purity of own manufactured product.

AROCLOR: Toxicity data requested for some lab evaluation involving chicks. No other explanations.

Will follow.
