Mark Sutton
Chairman & CEO
International Paper
6400 Poplar Ave.
Memphis, TN 38197

Mark,

Yesterday's meeting was excellent. I very much appreciate the information that you provided and you making the trip to Washington. Our dialogue was extremely helpful in understanding and learning more about International Paper's concerns.

It is my hope that we at the EPA can re establish the trust and confidence of those in your industry.

All the best,

E. Scott Pruitt
