Dear Fred,

I am delighted to learn that you will be attending the Symposium on the Tissue Response to Asbestos to take place at Cardiff at the beginning of April.

If, while you are here, you and Dr. Spell would care to visit Rochdale we would be very pleased indeed to see you. I shall be attending the conference and driving back to Rochdale on the evening of April 9th. I would be happy to have you both accompany me should you have sufficient time available to make a visit to T.B.A. possible.

With kindest regards,

Yours sincerely,

R. A. Wells
