WHITE LEAD & ZINC, IN OIL.

Our Guarantee $1,000

Strictly Pure White Lead,

Is equal to any brand of Pure Lead Manufactured.

Every package contains our GUARANTEE as shown herewith.

CAPITOL LEAD.

This mixture is vastly more durable than Pure Lead, it will not "CHALK OFF" like Lead, nor scale off like Zinc, when either is used alone. In our experience of over 40 years, we never found a more satisfactory Paint, for use either inside or outside, in any climate. For the Sea Shore it has no equal in every desirable quality.
