Troy, NY 12181

Dear Rip:

Under separate mailing you should have received a Notice of Meeting for the Annual Membership Meeting to be held at Sandpiper Bay June 16-19, 1986.

You, and the other Technical Committee Chairmen, are specifically invited to the Reception and Dinner for the Board of Directors on Monday night, and to the Board Meeting on Tuesday. And, of course, all Membership meetings and social events.

However, the reason we need you is for your report on the Health and Environmental Affairs Committee for the 1985-86 fiscal year. Actually the Committee didn't do anything, but you did, and the EPA did, and OSHA might. So, if you could have a report in here by June 10 it would be most helpful. If you need anything to help write the report, please let me know.

Hope to see you in June.

Sincerely,

FRICTION MATERIALS STANDARDS INSTITUTE

E. W. Drislane
Executive Director
