shipping, storing and selling. Hence —if the farmer's return drops to $1, the retail price might still be $7.

Since a large part of locally produced crops was sold before the sharp decline in prices, it is considered possible that total farm income in this country may again pass the $1 million dollar mark in 1948. However, farmers are not optimistic about next year.

Riding Club Requests Mission Valley Trail

R. E. Hazard, president of the Mission Valley Bridle Path Association, urged county supervisors yesterday to provide a 20-foot-wide bridle path on the north side of the Mission Valley Highway from the Sixth Ave. extension to Fairmount Ave.

Hazard also asked that three push-button crossovers be established between Sixth Ave. and Texas St.; between Texas St. and Ward Rd. and between Ward Rd. and Fairmount Ave.
