GEORGIA-PACIFIC

INTERDEPARTMENTAL COMMUNICATION

DATE: February 6, 1969

TO: Mr. M. W. Robinson

LOCATION: Tigard

FROM: L. E. Winter

LOCATION: Acme

SUBJECT: New One Day Joint Compound Formula

PLAINTIFF'S EXHIBIT

GP-769

We manufactured one batch (27 bags) of One Day using Tex-38. We are sending one bag to you and a few lbs. parcel post to Mr. O'Neill.

We will hold the remaining 26 bags here at the plant until we receive word as to where and when to ship.

When we receive the BR-39 molding, we will make a batch using it.

L. E. W.
