Re: Clifford Ard vs. Bloomfield Silo Company, et al and
Finis Flynn vs. Bloomfield Silo Company, et al.

Dear Mr. Moomaw:

In case you have not already been notified, Mr. Blackburn suffered a heart attack on November 19, 1974, and passed away. The attorneys for the plaintiffs in the above styled actions have notified me that they had talked to Viley concerning settlement of these actions. I don't know whether Viley had communicated their offer or not, but this letter is to advise you of same.

The attorneys for the plaintiffs have offered to settle the Clifford Ard action for $13,500.00; and offered to settled the Flynn action for $15,000.00. Please advise me of your opinion of these offers and also please advise me of the status of this litigation as far as you are concerned. I am in the process of going through these files and trying to ascertain just exactly what position we are in. If you can be of any help with this regard, please advise.

Thank you very much.

Yours very truly,

Joe L. Travis
