Mr. H. H. Bible - D1T

PCB ISSUE

Mr. John W. Hanley
D1B

The attached file represents a stockholder's questioning note to you on Monsanto's PCB role, Earle Harbison's deft handling, and the stockholder's gratifying response.

We receive so many brickbats in this arena, I thought you might be interested in one appreciative note. Perhaps you might use it in some "personal interest" context in one of your speeches.

F. J. Fitzgerald

/ph

Attach.

P.S. - Incidentally, I think it's basically a reflection of the responsible PCB attitude our company is taking.
