Subject: Our Purchase Order #312

Dear Mr. Mansinghka:

Enclosed is our new purchase order covering one container each of grades CS and CLA which we hope you can ship sometime during the month of October, if not earlier.

All details are covered on the purchase order, but we would like to mention that we prefer shipment to Wilmington, Delaware if at all possible, and also that the bags should be double sewn as the last shipment arrived with fiber spilling out because the sewing didn't hold.

If you have any questions, please wire us, and of course, we can discuss any questions when I visit you in October.

Very truly yours,
