I. PRELIMINARY STATEMENT

1. This Administrative Compliance Order on Consent (“ACOC”) is entered into by the United States Environmental Protection Agency, Region 6 (“EPA”) and Respondent, Screening Systems International Inc., (“SSI” or “Respondent”), and concerns the facility located at 215 Highway 19, Slaughter, Louisiana 70777 (the “Facility”).
2. Notice of this action has been given to the State of Louisiana, under Section 3008(a)(2) of RCRA, 42 U.S.C. § 6928(a)(2).
3. For the purpose of these proceedings, Respondent admits the jurisdictional allegations herein; however, Respondent neither admits nor denies the specific factual allegations and conclusions of law contained in this ACOC. This ACOC states a claim upon which relief may be granted.

4. The Respondent explicitly waives any right to contest the allegations and its right to appeal the proposed final order contained in this ACOC, and waives all defenses which have been raised or could have been raised to the claims set forth in the ACOC.

5. Respondent consents to the issuance of the ACOC hereinafter recited and consents to the specific stated Compliance Order, Section VI, of this ACOC.

II. JURISDICTION

6. This ACOC is issued by the EPA pursuant to Section 3008(a) of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. § 6928, as amended by the Hazardous and Solid Waste Amendments of 1984 ("HSWA"), and is simultaneously commenced and concluded through the issuance of this ACOC under 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3).

7. Respondent agrees to undertake and complete all actions required by the terms and conditions of this ACOC. In any action by the EPA or the United States to enforce the terms of this ACOC, Respondent agrees not to contest the authority or jurisdiction of the EPA to issue or enforce this ACOC, and agrees not to contest the validity of this ACOC or its terms or conditions.

III. STATEMENT OF PURPOSE

8. This ACOC provides for the resolution of EPA Region 6's investigation of Respondent's Facility.

9. In entering into this ACOC, the mutual objectives of EPA, Region 6 and Respondent are to remedy, and/or prevent the potential endangerment to human health and/or the environment from

activities involving solid waste and hazardous waste, and to ensure that the injunctive relief that Respondent will complete as described the Section VI, Compliance Order, is protective of human health and/or the environment.

IV. STATUTORY AND REGULATORY BACKGROUND

10. Federal regulation of hazardous waste is primarily based on RCRA, enacted on October 21, 1976, to amend the Solid Waste Disposal Act, and the Hazardous and Solid Waste Amendments (“HSWA”) enacted by Congress in 1984 to further amend the Solid Waste Disposal Act. RCRA establishes a “cradle-to-grave” program to be administered by the Administrator of EPA and authorized states for regulating the generation, transportation, treatment, storage, and disposal of hazardous waste. See 42 U.S.C. § 6901 *et seq.*

11. RCRA’s Subchapter III (RCRA §§ 3001-3023, 42 U.S.C. §§ 6921-6940, known as “Subtitle C”) required EPA to promulgate regulations establishing performance standards applicable to facilities that generate, transport, treat, store, or dispose of hazardous wastes. Together, RCRA Subtitle C and its implementing regulations, set forth at 40 C.F.R. Parts 260 – 279, comprise EPA’s RCRA hazardous waste program.

12. Pursuant to its authority under RCRA, EPA has promulgated regulations at 40 C.F.R. Parts 260 through 272 applicable to generators, transporters, and treatment, storage, and disposal facilities. These regulations generally prohibit treatment, storage, and disposal of hazardous waste without a permit or equivalent “interim status.” They prohibit land disposal of certain hazardous wastes, and provide detailed requirements governing the activities of those who generate hazardous waste and those who are lawfully permitted to store, treat, and dispose of hazardous waste.

13. Pursuant to 40 C.F.R. § 261.2, a “solid waste” is any discarded material that is not otherwise excluded under 40 C.F.R. § 261.4(a), or that is not excluded by variance. A discarded material is any material which is abandoned, recycled, inherently waste-like, or a military munitions. Materials are solid waste, as defined in 40 C.F.R. § 261.2, if they are abandoned by being disposed of, burned or incinerated, or accumulated, stored, or treated (but not recycled) before, or in lieu of, being abandoned by being disposed of, burned, or incinerated.

14. A solid waste is a hazardous waste if it is not excluded from regulation as a hazardous waste under 40 C.F.R. § 261.4(b), and it exhibits any of the characteristics of hazardous waste identified in 40 C.F.R. Part 261, Subpart C or it is listed in C.F.R. Part 261, Subpart D.

15. Characteristic hazardous wastes are assigned “D” codes in 40 C.F.R. Part 261, Subpart C, depending on the specific hazardous characteristic that the waste exhibits.

16. An ignitable hazardous waste has a flash point of less than 60 degrees centigrade (140 degrees Fahrenheit) and is assigned the D001 hazardous waste code pursuant to 40 C.F.R. § 261.21.

17. A corrosive hazardous waste has a pH of less than or equal to 2.0 or greater than or equal to 12.5 and is assigned the D002 hazardous waste code pursuant to 40 C.F.R. § 261.22, and a reactive hazardous waste is assigned the D003 hazardous waste code pursuant to 40 C.F.R. § 261.23.

18. Listed waste is assigned with “F,” “K,” “P,” and “U” codes in 40 C.F.R. Part 261, Subpart D, depending on the specific waste generated from a non-specific source, a specific source, or discarded commercial chemical products, off-specification species, container residues and spill residues therefrom.

19. 40 C.F.R. Parts 264 and/or 265 applies to owners and operators of facilities that treat, store and/or dispose of hazardous waste.
20. The relevant RCRA statutory and regulatory requirements to this ACOC require that generators of solid waste and hazardous waste must, among other things:
 - a. Determine whether their generated solid wastes are hazardous, pursuant to 40 C.F.R. § 262.11;
 - b. Comply with the statutory notification requirements of Section 3010 of RCRA, 42 U.S.C. § 6930;
 - c. Comply with the manifest requirements, pursuant to 40 C.F.R. § 262.20; and
 - d. Determine its generator status by meeting the exemption conditions set forth at 40 C.F.R. § 262.34 or comply with the specific requirements set forth at 40 C.F.R. § 270.10.

V. FINDINGS OF FACT AND CONCLUSIONS OF LAW

21. Respondent is an authorized corporation in the State of Louisiana, authorized on February 13, 1998, and is located at 215 Highway 19, Slaughter, Louisiana 70777.
22. Respondent is a "person" within the meaning of Section 1004(15) of RCRA, 42 U.S.C. § 6903(15); and Title 33 of the Louisiana Administrative Code ("LAC") LAC 33:V.109, [40 C.F.R. § 260.10].
23. Respondent's Registered Agent for service in the State of Louisiana is Mr. Henry A. Watson, Jr., who is located at 215 Highway 19, Slaughter, Louisiana 70777.
24. SSI owns and operates a Facility that operates as a Filters and Strainers, Pipeline business/industry within the Industrial and Commercial Machinery and Computer Equipment sector.

In addition, SSI designs and builds screens to meet facility screening needs in areas such as debris removal, fish handling and heavy-duty, continuous running conditions.

25. In 2003, SSI submitted the initial notification required by Section 3010(a) of RCRA to operate as a conditionally exempt small quantity generator under Handler ID: LAR000051656 for the following waste codes:

- a. D001;
- b. D005;
- c. D008;
- d. D035;
- e. F003; and
- f. F005

26. During the period of April 2018 through June 2018, EPA conducted a RCRA investigation and record review ("Investigation") of SSI's performance as a generator of hazardous waste.

27. During the Investigation, EPA discovered that SSI, at a minimum, generated the following waste:

- a. Characteristic ignitable waste, Acetone with the hazardous waste code D001;
- b. Characteristic toxicity waste, waste paint & thinners with the hazardous waste codes D005 (Barium), D007 (Chromium), D008 (Lead), and D035 (MEK-Methyl ethyl ketone); and
- c. Listed hazardous waste, F003 (spent non-halogenated solvent) and F005 (spent non-halogenated solvent).

28. The waste streams identified in Paragraph 26 are hazardous waste as defined in LAC 33:V.4901.B. & F, and 4903.E, [40 C.F.R. §§ 261.21 and 261.22].

29. The exemptions set forth at LAC 33:V.108.C, [40 C.F.R. § 261.5(c)], are not applicable to SSI.

30. From the Investigation, EPA determined that during 2013 and 2015 SSI generated one or more of the hazardous waste streams identified in Paragraphs 26 in quantities that exceeded the threshold amount of 100 kilograms of hazardous waste per month, which qualified SSI for the small quantity generator ("SQG") status established under LAC 33: V 1109, [40 C.F.R. Part 262], for the periods that such wastes remained onsite.

31. SSI is a "generator" of "hazardous wastes" at the Facility, as those terms are defined in Sections 1004(5) & (6) of RCRA, 42 U.S.C. §§ 6903(5) & (6), and LAC 33:V.109, [40 C.F.R. §§ 260 and 261].

32. As a generator of hazardous waste, SSI is subject to Sections 3002 and 3010 of RCRA, 42 U.S.C. §§ 6922 and 6930, and the regulations set forth at Title 33 of LAC Part V, Chapters 1 through 51, [40 C.F.R. Parts 262 and/or 270].

Claim 1: Failure to File Subsequent 3010 Notification

33. The allegations in Paragraphs 1-31 are realleged and incorporated herein by reference.

34. Pursuant to Section 3010(a) of RCRA, 42 U.S.C. § 6930(a), any person generating a characteristic or listed hazardous waste shall file with the Administrator or authorized State a notification stating the location and general description of such activity and the identified characteristic or listed hazardous wastes handled by such person. No identified characteristic or listed hazardous waste subject to this subchapter may be transported, treated, stored, or disposed of unless notification has been given as required by Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).

35. SSI did not file with the Administrator a subsequent notification to accurately state the general description of its hazardous waste activities and its generation and management of hazardous waste during 2013, in violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).

36. At all times relevant to this ACOC, Respondent failed to comply with its subsequent notification requirements in violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).

Claim 2: Failure to Operate within Its Stated Generator Status

37. The allegations in Paragraphs 1-31 are realleged and incorporated herein by reference.

38. During the Investigation, EPA determined that SSI either operated as a conditionally exempt small quantity generator ("CESQG") and/or considered itself to be a CESQG.

39. Pursuant to LAC 33:V.108 and 40 C.F.R. § 261.5(b), as long as a CESQG generator complies with the applicable requirement under LAC 33:V.108.E, F, G, and J and 40 C.F.R. §§ 261.5 (e), (f), (g) and (j) the generator's hazardous waste is not subject to regulation under LAC 33:V. Chapters 3-37, 41, 43, and 53, except for LAC 33:V.3105, Table 1; 40 C.F.R. Parts 262 through 268; 40 C.F.R. Parts 270 and 124; and the requirements of Section 3010 of RCRA, 42 U.S.C. § 6930.

40. On more than one occasion in 2013, SSI exceeded the CESQG status and, for the period such hazardous waste remained onsite, operated as a SQG in violation of one or more of the requirements for SQG under 30 LAC 33:V.1109.E, [40 C.F.R. § 262.34]. At all times relevant to this ACOC, Respondent failed to comply with the SQG requirements in violation of LAC 33:V.1109.E, [40 C.F.R. Parts 262 and 270].

VI. COMPLIANCE ORDER

41. Pursuant to Section 3008(a) of RCRA, 42 U.S.C. § 6928(a), Respondent is hereby ordered to take the following actions, and within sixty (60) calendar days of the effective date of the settlement agreement, Respondent shall provide in writing the following:

- a. Respondent shall certify that it has assessed all its solid waste streams to determine the accurate waste codes and has developed and implemented Standard Operating Procedures ("SOP") to ensure that SSI is operating in compliance with RCRA and the regulations promulgated thereunder, including, but not limited to, procedures for: (a) making hazardous waste determinations; (b) managing hazardous wastes; (c) reporting, transporting, and disposing of hazardous waste; (d) preparing the manifests; and (e) meeting the requirements of the land disposal requirements;
- b. Respondent shall certify that it has accurately and adequately complied with its RCRA Section 3010 Notification; and
- c. Respondent shall provide, with its certification, a copy of Respondent's SOPs as described in subparagraph a above.

42. In all instances in which this ACOC requires written submission to EPA, the submittal made by Respondent shall be signed by an owner or officer of SSI and shall include the following certification:

"I certify under the penalty of law that this document and all its attachments were prepared by me or under my direct supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information,

the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.”

Copies of all documents required by this ACOC shall be sent to the following:

Waste Enforcement Branch (6EN-H)
Compliance Assurance and Enforcement Division
U.S. EPA, Region 6
1445 Ross Avenue, Suite 1200
Dallas, Texas 75202-2733
Waste Compliance I Section (6EN-H1)
Attn: Adolphus Talton

VII. TERMS OF SETTLEMENT

A. Dispute Resolution

43. If the Respondent objects to any decision or directive of EPA in regard to Compliance Order, the Respondent shall notify the following persons in writing of its objections, and the basis for those objections, within fifteen (15) calendar days of receipt of EPA's decision or directive:

Mark Potts, Chief
Waste Enforcement Branch (6EN-H)
Compliance Assurance and Enforcement Division
U.S. EPA, Region 6
1445 Ross Avenue, Suite 1200
Dallas, Texas 75202-2733

I-Jung Chaning, Chief
RCRA Legal Branch (6RC-ER)
Office of Regional Counsel
U.S. EPA - Region 6
1445 Ross Avenue, Suite 1200
Dallas, TX 75202-2733

44. The RCRA Waste Enforcement Branch Chief or his/her designee and the Respondent shall then have an additional fifteen (15) calendar days from EPA's receipt of the Respondent's written

objections to attempt to resolve the dispute. If an agreement is reached between the Branch Chief and the Respondent, the agreement shall be reduced to writing and signed by the Branch Chief and the Respondent and incorporated by reference into this ACOC.

45. If no agreement is reached between the RCRA Waste Enforcement Branch Chief and the Respondent within that time period, the dispute shall be submitted to the Director of the Compliance Assurance and Enforcement Division ("Division Director") or his/her designee. The Division Director and the Respondent shall then have a second 15-day period to resolve the dispute. If an agreement is reached between the Division Director and the Respondent, the resolution shall be reduced to writing and signed by the Division Director and Respondent and incorporated by reference into this ACOC. If the Division Director and the Respondent are unable to reach agreement within this second 15-day period, the Division Director shall provide a written statement of EPA's decision to the Respondent, which shall be binding upon the Respondent and incorporated by reference into the ACOC.

46. If the Dispute Resolution process results in a modification of this ACOC, the modified ACOC must be approved by the Regional Judicial Officer and filed pursuant to Subsection iii. Modification, below.

B. Notification

47. Unless otherwise specified elsewhere in this ACOC, whenever notice is required to be given, whenever a report or other document is required to be forwarded by one party to another, or whenever a submission or demonstration is required to be made, it shall be directed to the individuals specified below at the addresses given (in addition to any action specified by law or

regulation), unless these individuals or their successors give notice in writing to the other parties that another individual has been designated to receive the communication:

EPA:

Waste Enforcement Branch (6EN-H)
Compliance Assurance and Enforcement Division
U.S. EPA, Region 6
1445 Ross Avenue, Suite 1200
Dallas, Texas 75202-2733
Attention: Adolphus Talton

Respondent:

Screening Systems International, Inc.
Henry A. Watson Jr.
215 Highway 19
Slaughter, LA 70777

C. Modification

48. The terms, conditions, and compliance requirements of this ACOC may not be modified or amended except upon the written agreement of both parties, and approved by a Regional Judicial Officer, and such modification or amendment being filed with the Regional Hearing Clerk.

D. Indemnification

49. Neither EPA nor the United States Government shall be liable for any injuries or damages to person or property resulting from the acts or omissions of the Respondent, their officers, directors, employees, agents, receivers, trustees, successors, assigns, or contractors in carrying out the activities required by this ACOC, nor shall EPA or the United States Government be held out as a party to any contract entered into by the Respondent in carrying out the activities required by this ACOC.

E. Record Preservation

50. The Respondent shall preserve, during the pendency of this ACOC, all records and documents in its possession or in the possession of its divisions, employees, agents, contractors, or successors, which in any way relate to this ACOC regardless of any document retention policy to the contrary.

F. Cost

51. Each party shall bear its own costs and attorney's fees. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorney's fees under the Equal Access to Justice Act (5 U.S.C. § 504), as amended by the Small Business Regulatory Enforcement Fairness Act (P.L. 04-121), and any regulations promulgated pursuant to those Acts.

G. Reservation of Rights

52. Notwithstanding any other provisions of this ACOC, EPA retains all of its authority to take, direct, or order any and all actions necessary to protect public health or the environment or to prevent, abate, or minimize an actual or threatened release of hazardous substances, pollutants, or contaminants, or hazardous or solid waste or constituents of such wastes, on, at, or from the Facility, including but not limited to the right to bring enforcement actions under RCRA, CERCLA, and any other applicable statutes or regulations.

53. EPA reserves all of its statutory and regulatory powers, authorities, rights, remedies, both legal and equitable, that may pertain to Respondent's failure to comply with any of the requirements of this ACOC.

54. This ACOC shall not be construed as a covenant not to sue, release, waiver, or limitation of any rights, remedies, powers, claims, and/or authorities, civil or criminal, which EPA has under RCRA, CERCLA, or any other statutory, regulatory, or common law authority of the United States. Further, this ACOC does not resolve Respondent's liability for Federal civil penalties for the violations and facts set forth herein.

H. Termination and Satisfaction

55. When Respondent believes that it has complied with all the requirements of this ACOC, including compliance with the Compliance Order, Respondent shall so certify in writing and in accordance with the certification language set forth in Section VI (Compliance Order), Paragraph 41.

Unless the EPA, Region 6 objects in writing within ninety (90) days of EPA's receipt of Respondent's certification, then this ACOC is terminated on the basis of Respondent's certification.

I. Effective Date of Settlement

56. This ACOC shall become effective upon filing with the Regional Hearing Clerk.

**THE UNDERSIGNED PARTIES CONSENT TO THE ENTRY OF THIS ADMINISTRATIVE
COMPLIANCE ORDER ON CONSENT:**

FOR THE RESPONDENT:

Date: 7-20-18

Screening System International, Inc.

FOR THE COMPLAINANT:

Date: 8-10-2018

Cheryl T. Seager
Director
Compliance Assurance and
Enforcement Division

FINAL ORDER

Pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, 40 CFR Part 22, the foregoing ACOC is hereby ratified. This Final Order shall not in any case affect the right of the EPA or the United States to pursue appropriate civil penalties, injunctive or other equitable relief or criminal sanctions for any violations of law, including those violations alleged herein. This Final Order shall resolve only those causes of action alleged herein. Nothing in this Final Order shall be construed to waive, extinguish or otherwise affect Respondent's (or its officers, agents, servants, employees, successors, or assigns) obligation to comply with all applicable federal, state, and local statutes and regulations, including the regulations that were the subject of this action. The Respondent is ordered to comply with the Compliance Order, Section VI, and the Terms of Settlement, Section VII, as set forth in this ACOC. Pursuant to 40 CFR § 22.31(b) this Final Order shall become effective upon filing with the Regional Hearing Clerk.

Date: 14 Aug 2018

Renea Ryland
Regional Judicial Officer

CERTIFICATE OF SERVICE

I hereby certify that on the 16th day of August, 2018, the original of the foregoing
Administrative Compliance Order on Consent hand delivered to the Regional Hearing Clerk, U.S.
EPA - Region 6, 1445 Ross Avenue, Dallas, Texas 75202-2733, and that a true and correct copy of
the ACOC was sent to the following by the method identified below:
