Mr. Mike Martindale
DETROIT NEWS
615 Lafayette
Detroit, MI 48231

Dear Mr. Martindale:

I've enclosed the background information on PCBs we discussed earlier today. A copy of the HEW press release announcing the results of the National Cancer Institute animal study on Aroclor 1254 is attached to our two-page Fact Sheet.

If we can be of any further assistance, please let me know.

Sincerely yours,

Dan R. Bishop
Director, Environmental Communications
