Kennedy emphasized that "exemption can only be allowed for the coming fiscal year if the property was owned by the veteran or by his wife on or before the first Monday in March.

Veterans or their widows, or other persons entitled to exemption under the State Constitution, who fail to file claims at the Courthouse before 5 p.m. Wednesday, June 2, "will have waived their right to the exemption for the 1948-49 fiscal year," Kennedy said.

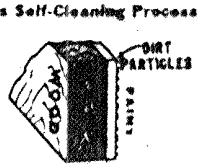
DU PONT HOUSE PAINT CLEANS ITSELF

Magnified Cross-Section shows Self-Cleaning Process



All paints collect dust and dirt during the first few months.

With Du Pont House Paint, a fine white powder forms on the surface after a few months.

Rains wash off this powder — and with it, much of the accumulated dirt and grime.

Self-Cleaning House Paint stays white . . . keeps it sparkling white for years. This cleansing process is gradual and does not adversely affect the long life of the paint.

DU PONT has never offered a finer product for protecting and beautifying the home! Du Pont House Paint protects against rust, rot, and decay . . . gives *lasting* beauty and protection. It is "Self-Cleaning" . . . starts white, stays white, as explained, at right. While this "Self-Cleaning" process starts within a few months on most surfaces, excessive soot or heavy shade . . . or stains from metal surfaces such as screens . . . may interfere with or delay this process.

"Self-Cleaning" Du Pont House Paint is also available in a variety of popular tints. It saves repainting bills. Call on a reliable painter for your painting jobs . . . ask him to use Du Pont House Paint.

ONLY 5.59 gal. or 5.49 gal. in 5-gal. containers
