Dear Dr. Fancher:

Confirming my telephone conversation, please proceed with the [illegible] on the chickens as outlined in your letter of January 17, 1969.

Your letter did not mention using any controls. Would you [illegible] in the 7-day study and send samples of [illegible] the organs, feathers, etc. of the birds from the feeding study.

Best personal regards.

Sincerely,

Elmer P. Wheeler
