Dr. R. E. Kelly/E. P. Wheeler - RKELL
W. R. Richard - WRICH
J. E. Springgate - JSPRI

cc: M. W. Farrar - JFQ
W. E. Schalk - WSCHA
W. F. Waychoff

The attached letter from Professor Street of Utah State University is interesting and also encouraging. It looks as if we have at least one friend in the scientific community.

Attention Bill Richard:

Can you please handle the request on pure PCB isomers.

Cumming Paton
