Nice to hear from you, Jim. Tameka is now included to help find time for all of us. And appreciate you letting Jim know that Casey will be Midway for the anniversary and hopefully they're able to connect. Thank you.

Have a wonderful Friday and Weekend.

Aurelia,

Thanks for getting back to me. We look forward to seeing you on June 22 or 23. The 23rd is the best day for IMMF founder Jim D'Angelo and me but we will accommodate your availability. I don't see Tameka Robinson copied on your message but will be pleased to coordinate with her.

Also, Jim D'Angelo will be on Midway for the 75th anniversary of the battle. He's been invited by USFWS to speak at a dinner June 5. I will advise him that Casey will be on Midway and perhaps they can meet.

Best,

Jim

Jim,

Thank you for reaching out about your concerns about the management of the Memorial and welcome the opportunity to speak with you on June 22 or 23.

I've included my colleague Casey Hammond, who is traveling to Midway and will be an asset to the conversation. I've also included Tameka Robinson to find a convenient time for us to meet.

Thank you.

Dear Jim,

Thank you very much for your message. I welcome the opportunity to talk with you about International Midway Memorial Foundation and have availability that week.

If you could provide some background information before the meeting, I would greatly appreciate it.

I look forward to speaking with you and Jim.

Kind Regards

Aurelia,

This is to follow up on the information you received from my colleague Denny Rehberg about concerns of the International Midway Memorial Foundation (IMMF) over the management by U.S. Fish and Wildlife service of Midway Atoll. I am a retired Navy Reserve officer and volunteer member of the Foundation board. The Foundation was a key supporter of legislation that became law in 1999 designating Midway as a National Memorial to the Battle of Midway.

Would you be kind enough to meet with myself and Jim D'Angelo, founder and President of IMMF? Jim is a retired medical doctor and former Air Force officer. He lives in Florida but will be in DC the week of June 19. If you are willing to meet and available sometime that week, we could provide more detail on what we consider the mismanagement by Fish and Wildlife of certain historical aspects of Midway, and on IMMF's relationship with Fish and Wildlife over the years.

Thank you for your consideration.

Sincerely,
Jim Noone
