FRICTION MATERIALS STANDARDS INSTITUTE, INC., E-210 ROUTE 4, PARAMUS, N. J. 07652

PLAINTIFF'S EXHIBIT H806.0

May 29, 1975

To: Asbestos Study Committee

Subject: Changes to Minutes of April 28, 1975 Meeting

Mr. Weaver, Chairman of the Committee, called relative to corrections to the "Unconfirmed Minutes" of subject meeting.

Page 3, Paragraph 2, Line 5

Eliminate "has a plastic bag liner"

Page 3, Paragraph 2, Line 15

Should say: "(3) The Nilfisk or other high quality vacuum cleaner..."

Page 3, Paragraph 3, Lines 5,6

Change sentence to read: "In some cases these could be counted by inexperienced operators as asbestos fibers."

A new copy of Page 3 is enclosed. Please destroy old page 3 and replace with this corrected page 3.
