C. W. Keller - CKELL
W. B. Papageorge - WPAPA
P. S. Park - PPARK
WASHINGTON - Sam Pickard
W. R. Richard - WRICH
C. J. Smith

Thanks for your memo of May 17 attaching Congressman Ryan's latest attack on PCBs.

Charlie Smith and I have discussed this article and we both agree with you that it would be unwise to attempt to correct the statements he makes. This is particularly true now that he has introduced a bill to ban PCBs and we would be most unwise to take any further action until we have more factual information.
