One water heater is in the service while another plus the furnace has been placed in the garage. If preferred, one of these water heaters could be eliminated during construction. A broom closet plus laundry space and overhead storage cabinets have also been located in the service.

The rear bath has a wide storage closet, a pullman lavatory and a stall shower. It can be entered from both the service and the master bedroom. The family bath has an enclosed tub with shower over and a twin pullman lavatory which is shielded from the door by a partial wall with glass above.

...house. The stone veneer at the front of the bedroom wing continues past the wing to form an attractive roofed planter. This charming California ranch exterior will be as popular years from now as it is today.

Complete working drawings for this plan can be purchased at a cost of $7.50 for the first set and $5.00 for each additional set when ordered at the same time. This plan will be available until August 16, 1961. Please allow two weeks for delivery. If the above home does not entirely meet with your approval, a new home plan book, RANCH & MODERN HOMES, can be purchased for $2.00. Send all orders for either plans or books to Hiawatha Estes, P.O. Box 404-G, Northridge, California. California orders please add 4% sales tax.
