RE: VISIT BY VERNON HEALTH DEPARTMENT

Attached is a photostatic copy of letter from the Department of Public Health, City of Vernon, dated January 24, 1962, which is self explanatory.

Previous correspondence and data on the subject matter was transmitted to you with my cover letter of January 24, 1962.

Upon receipt of the analytical report with respect to "Marinite" referred to in Mr. Hauger's letter, page 2, paragraph 2, it will be also forwarded to you.
