ensation

Clarence A. Hulette - Silicosis and Asbestosis

rm OD-4 is herewith submitted at the request of the claimant. l signed by the claimant and by the employing company.

reviously filed a claim for a respiratory condition due to given No. OD-47978. This claim was eventually disallowed reason that the claimant was not totally disabled.

s continued to be employed by this company, but during the ie has been doing limited types of light work principally itor.

agrees that his physical condition is such that he is unable or[illegible]n light employment and is of the opinion that he will s [illegible]ployment with the company. It, therefore, would iting and deciding this claim, particularly have the claimant Board of Silicosis Referees to determine whether or not a result of an occupational disease.

scheduled for hearing, please send us a copy of the notice.

Yours very truly,

John T. Cantlon
