New houses for old

The up-to-date painter armed with B-H Paints and Varnishes might well pose as Aladdin's Genie and sound his call "New Houses for Old," for the most apparent difference between a new house and an old one is a coat of good paint—Bass-Hueter Paint. If you are negotiating a sale you will realize the truth of this.

But whether you repaint your home preparatory to selling, whether your paint job is big or little, the B-H line will meet your needs. The highest grade of materials backed by 60 years of manufacturing experience have made B-H products preeminent.
