Speech invitation.
Edison Electric Institute Board of Directors
Washington DC
March 6

Attached is an invitation from the Edison Electric Institute's (EEI) Interim President & CEO Pat Vincent-Collawn inviting Secretary Burgum to address EEI's Board during our upcoming Board of Directors meeting at the Waldorf Astoria in Washington, D.C. on Thursday morning, March 6.

As noted in the invitation, we would love to hear from the Secretary about his policy priorities in his new role at Interior and views on a range of energy-related issues – including permitting and siting and wildfire prevention. We expect that more than 200 senior executives from our industry will be attending the Board meeting, including about 50 CEOs from EEI's Board.

Thank you in advance and we really appreciate your consideration. As always, please let me know if you have any questions or need additional information.

Thanks,

Eric
