Notice of Renovation Operations
Which Involve Removal of Asbestos

Dear Mr. Stewart:

Attachment I is being provided and will serve as written notice of renovation operations which involve planned removal or stripping of asbestos containing materials at our plant during 1979. This letter of notification and information contained in the attachment are intended to fulfill the requirements specified in Part 61.22 of Chapter 1, Title 40 of the Code of Federal Regulations.

Please contact me at (713) 245-4871, Ext. 4197 or Mr. C. J. Schaefer at (713) 245-4871, Ext. 4072 should you have any questions or comments concerning this matter.

Yours very truly,

I. O. Coleman, Jr.
