KAYLO - REPLACEMENT FOR ASBESTOS

J. P. Kern - Toledo (23)
R. C. Amos -Granville
C. F. Shannon - Granville
Paul Schauerle - Berlin

-I

I understand that little or no progress is being made toward achieving a glass-based Kaylo. I would like to re-emphasize the need for progress on this problem. Are there other materials besides glass that could be considered for replacing the asbestos?
