Re: Contract No. FS-100-57

Attention: Mr. G.L. Dauberman

Dear Mr. Dauberman;

Enclosed, please find copies of our revised Labor and Equipment Rate Schedule.

Due to the sharp rise in labor, parts, fuel and etc., we find it necessary to increase our prices. The new charges will become effective as of December 1, 1981.

If you have any futher questions, regarding these changes, or if any futher information is required, please do not hesitate to contact me.

Sincerely yours,
MAVERICK CONSTRUCTION CO,

James E. Faris

tion, as well as other requirements specified in section 114 and section 30 of the Air Act and the Water Act, respectively, and all regulations and guidelines issued thereunder before the award of the contract.

2. That no portion of the work required by this contract will be performed at a facility listed on the Environmental Protection Agency List of Violating Facilities on the date when the contract was awarded unless and until the EPA eliminates the name of such facility or facilities from such listing.

3. To use its best efforts to comply with clean air standards and clean water standards at the facility in which the contract is being performed.

4. To insert the substance of the provisions of this clause into any nonexempt subcontract, including this paragraph.

CLEAN AIR AND WATER CERTIFICATION [Applicable if contract amount exceeds $100,000, "or the contracting officer has determined that orders under an indefinite quantity contract in any year will exceed $100,000," or a facility to be used has been the subject of a conviction under the Clean Air Act (42 U.S.C. 1857c-8(c)(1)) or the Federal Water Pollution Control Act (33 U.S.C. 1319(c)) and is listed by EPA, or is not otherwise exempt.]

Contractor/supplier certifies as follows:

1. Any facility to be utilized in the performance of the proposed contract has not been listed on the Environmental Protection Agency List of Violating Facilities.

2. Contractor/supplier will promptly notify the Contracting Officer, prior to award of the receipt of any communication from the Director, Office of Federal Activities, Environmental Protection Agency, indicating that any facility which contractor/supplier proposes to use for the performance of the contract is under consideration to be listed on the EPA List of Violating Facilities.

3. Contractor/supplier will include substantially this certification, including this paragraph (3), in every nonexempt subcontract.

R. **NON-SEGREGATED FACILITIES CERTIFICATION** [Applicable if contract amount exceeds $10,000 (60 CFR 1.8).]

Contractor/supplier certifies that it does not and will not maintain any facilities it provides for its employees in a segregated manner or permit its employees to perform their services at any location under its control where segregated facilities are maintained, and that contractor/supplier will obtain a similar certification in the form approved by the Director, Office of the Federal Contract Compliance Programs, prior to the award of any non-exempt subcontract.
