TO: OCCUPATIONAL HEALTH COMMITTEE

Subject: Published papers for the Acroosteolysis Project

Gentlemen:

MCA has received a limited supply of reprints from the Study on Occupational Acroosteolysis Among PVC Workers, recently sponsored by a group of MCA-affiliated producers of that plastic.

A set of these reprints is enclosed. They are titled:

Occupational Acroosteolysis

- I. An Epidemiological Study**
- II. An Industrial Hygiene Study**
- III. A Clinical Study**

While supplies last, requests for single sets of these reprints will be honored.

Sincerely,

**K. D. Johnson
Secretary
Occupational Health Committee**
