1605 RODNEY FRENCH BOULEVARD • NEW BEDFORD, MASSACHUSETTS 02741 • 617-996-8561

February 11, 1976

To: PCB Ad Hoc Committee

Gentlemen:

Attached is a copy of the final version of the "EIA Spill Notification and Control Plan for Polychlorinated Biphenyls" for your information and use.

We are also enclosing another scare article on PCBs that was published in "The Star" February 10, 1976. This is another example of irresponsible journalism that we are faced with.

Curtis L. Lopes
Manager, Plant Engineering
