Q. So these are the official records of the general membership of the Institute, is that correct?

A. Yes.

Q. Category three of the subpoena also refers to minutes of meetings of the Asbestos Study Committee.

Am I correct in understanding that those minutes have already been isolated and shown to me earlier this morning?

A. That's correct.

Q. Would you just look through these, please.

Mr. Drislane, the minutes that you are looking at right now are for the following dates and each one indicates that it is a minute of meetings of the Asbestos Study Committee or of that same committee under its new name. Would you remind me please what its new name is?

A. The Health and Environmental Affairs Committee.

Q. Now the dates of those minute are:

September 15, 1971; February 10, 1972; August 17, 1972; February 16, 1973; June 1, 1973; June 14, 1974; April 28, 1975; October 24,
